

## Y5 and 6 challenge October 09

Log onto school website [www.sjpsb](http://www.sjpsb) and go to News and then Miss Hodgson's page. You will find power points and information about CAFOD and the Walk the World Project.

Look at the Word document on Sheila in Tanzania and the Power point on education Tanzania.

### CHALLENGE:

Use the information in the word document to improve the PPP.

Save it and bring in to school or email to me [head.stjosephs@school.hartlepool.gov.uk](mailto:head.stjosephs@school.hartlepool.gov.uk)

The ppp can then be shown on the screen in the front entrance and as children come into assembly.

#### A few tips:

Most important thing is **REMEMBER YOUR AUDIENCE**

Don't just cut and paste a lot of information into the power point.

Pick out the important points only.

Remember the audience will be looking up at a screen and will include young children.

Warning: If you can add other effects, music etc. please do so but be prepared for teachers who don't know how to do it asking you to show them your skills!!

**REMEMBER YOUR AUDIENCE.**

**I'm looking forward to seeing your responses to the challenge...**
