We have a new bishop.

Canon Seamus Cunningham was appointed by Pope Benedict to be the next Bishop of Hexham and Newcastle.

He writes, 'We are all called to spread Our Lord's message as well as we can in the world around us . I look forward to meeting you in my future work as your Bishop. In the meantime I beg all to kep me constantly in your prayers that I may serve you well.'

Safety First!

Parents and family of Reception and KS1

So that staff can make sure children are collected safely at the end of the day we are setting up a new system. Parents please stay behind the line of cones until the children line up near the wall outside my office. When all the class is out you can then come forward and collect your child. In this way the staff will be able to see who is left. As you can understand it's hard to keep an eye on who goes where when a child can slip into a crowd.

Safety Second!!

Parents and family of Reception and KS1

Parents are always welcome to make appointments to have a detailed discussion with teacher and pass on short messages to the teachers on the yard. Unfortunately, there isn't space for parents to accompany children into school in the morning. Please leave your child with the adults when the bell goes.

Safety Second!!

Everyone

Please use the pedestrian gates at all times. Children are still being brought through the car park or, worse still, dropped off by car or taxi and sent through the car park alone. I know many of you are rushing in the morning but please take those few minutes to keep children away from the car park.
