## RE INSPECTION REPORT

We have just received the final version of the RE inspection report from the diocese and take pleasure in sharing it with you all (copy attached).

You will see that the overall judgement is GOOD. There is a lot to celebrate and we know what we need to do to improve. Our capacity to improve was judged OUTSTANDING; a very positive report overall. Thanks to the children and teachers for their hard work.

## Other great news!

We have been successful in a bid for funding to replace most of the windows and doors around the school as well as have the outside repainted and refurbish the two remaining KS2 classrooms.

What a difference that will make!!

Work should start in July - I'll keep you posted.

We have recently won the Golden Apple Award, which recognises our success in providing healthy foods.
