## Look out for information on free computer equipment

A new project will soon be launched nationally which will help provide computers for families with children from year 3 to Year 9 and who are entitled to Free School Meals. Families will apply for a grant which will be loaded onto a plastic card. This can be used in shops like Comet to buy a laptop or computer and one year's internet connection. The laptop will be the property of the family. This project will be on a first come, first served basis.

As soon as we have more information we will send it straight out to you, so keep checking your child's bag. **We don't want anyone to miss out!**

Prayer Group for KS2 children and parishioners and family members will meet ins school on the first Friday of every month. The first one will be on Friday 8th January 2010 from 2.45 -3.15. Looking forward to seeing you there.
