Teeth brushing in small groups daily

Children have daily access to indoor and outdoor areas which promote learning across the six areas of the Foundation Stage. These are :

1communication, language and literacy

2mathematical development, reasoning and number

3creative development

4physical development

5personal, social and emotional development

6knowledge and understanding of the world

More formal work is carried out in small groups

Children are offered fruit and milk/water daily at 10.30

Lunches are available on Mondays (£1.80)
