

Y1/2 Summer Term

Dear Parents,

Just a quick note to let you know what is happening this term.

The whole school will be undertaking a Maritime Topic to coincide with The Tall Ships Race, and lots of our work will be based around seas and oceans.

We will be visiting the Historic Quay to find out what life, as a sailor, was like in the past and to take a look around the Trincomalee.

Hopefully, we will also be visiting a wildlife park to learn about habitats.... Details will follow later!

What will we be learning?

In addition to our daily Literacy, Numeracy and Phonics sessions, the children will also be engaged in the following topics:

- |                     |  |
|---------------------|--|
| Science             | Forces, Habitats and Growing                 |
| History / Geography | Seaside holidays in the past                 |
| I.C.T.              | Altering and changing texts                  |
| P.E.                | Ball skills                                  |
| Here I Am (R.E.)    | Messengers / Witnesses, Change and Treasures |
| Art / Design        | Themes based around the sea                  |

P.E. will continue to be on a Wednesday with ball skills after school on Friday.

The Y2 children will also be involved in a series of assessment activities (SATs) which help to confirm teacher assessment levels. These will be reported with the annual report.
