

September 2009

Dear Parents

Just a quick note to let you know what your child will be studying this term.

Our main topic this term is history based; 'Meeting the Ancient Greeks'. This topic will also touch the subjects of Geography, Literacy, ICT, Art, Dance, and Design & Technology.

In Science we will be looking at the topics 'Keeping Healthy' and 'Gases Around Us'.

I would also like to let you know that Numeracy homework will be given out each Friday and should be returned the following Monday. Literacy homework will be given out each Tuesday and should be returned the following Friday. There will also be spellings and times tables to learn at home as well as in the class.

Thank you for supporting your child with their school work and if there are any problems please do not hesitate to get in touch with me.

Yours sincerely

Mr M Holmes
