

*Dear Parents*

*December 2009.*

*Just a quick note to say that all the children in my class have worked extremely hard this term, and I would like to say 'thank you' for giving them your help and encouragement.*

*In the spring term we will be studying new topics:*

£ *In Geography we will be looking at the city of Durham, as a contrasting location to our*

*seaside home town of Hartlepool.*

£ *In Science the children will investigate changing states (eg the Water Cycle - water changing to vapour and then condensing as rain) and the life cycles of plants.*

£ *Also, in Art they will be investigating making pictures out of textiles.*

*I would like to wish you all a very merry Christmas and a great New Year.*

*Thank you.*

*Mr M Holmes*
