

## Year 5/6 Newsletter

September 2011

Dear Parents

Just a quick note to let you know what your child will be studying this term.

In literacy we will be looking at fiction and non-fiction genres as well as writing reports and poetry.

In numeracy we will concentrate on number work, mental as well as formal methods, as well as problem solving.

In science we will study Forces in action, Micro-organisms and changing circuits.

ICT, we will study multimedia presentations which will help us present our work on our history project of famous people.

In R.E. We will study Homes and families, Signs, Judaism and Visitors.

In design and technology we will design and build shelters.

Art we are looking at people in action.

Music we will be Samba drumming.

P.E. will be on a Thursday and Friday, where we will be studying dance and gymnastics.

In French we will study days, months seasons and weather.

Thank you for supporting your child with their school work and if there are any problems please do not hesitate to get in touch with me.

Yours sincerely,  
Mr M Holmes
